

056 ESD Wrist Band

ESD Wrist Band

Ergonomic, Anti-fatigue & Safety Matting - ESD Matting & Accessories

056 ESD Wrist Band

Wrist Bands connect a worker's skin to ground and are therefore the primary means of controlling static charge on personnel. When properly worn and connected to ground, static charges are safely dissipated from the person.

- When properly worn and connected to ground, static charges are safely dissipated from the person

Recommended use

- Dry Areas
- For placement in ESD assembly lines, picking, packing and logistics warehouses, individual work stations.
