

ASTRALPOOL – STAINLESS STEEL CLEANER-POLISH

Cleans and polishes any stainless steel surface

- Removes dirt that forms and adheres to stainless steel surfaces
- Cares for, beautifies and restores shine to stainless steel

LIQUID	EFFICACY	ALL TYPES OF POOLS	DOSAGE
	 Immediate		

PROPERTIES

Appearance	Liquid
Colour	Colourless
Density (20°C)	1,15 g/cm. ³
pH (concentrated 20°C)	0

CHARACTERISTICS

Product specially formulated to clean all stainless surfaces. Cares, embellishes and restores the brightness of the stainless steel, removing lime-scale, organic waste and mineral sediments that are formed over time and eventually adhered to the stainless steel surface.

INSTRUCTIONS FOR USE

Thanks to its high cleaning and polishing power, this product is designed to clean, for example, stairs, filters, showers,... all types of stainless steel pool accessories.

SAFETY INFORMATION FOR USER

- Keep locked up and out of the reach of children.
- Harmful if swallowed.
- Causes severe burns.
- Wear suitable clothing, gloves and eye/face protection. IN CASE OF ACCIDENT OR DISCOMFORT, SEEK MEDICAL ADVICE IMMEDIATELY. (If possible, show him the label.)

SOLUTION

5 COMPLÉMENT

DOSAGE

Dilute the product to 20 % or apply directly onto a cloth or brush for the dirtiest areas or areas which require shine. Once you have finished cleaning, rinse well with water.
