

CE DECLARATION OF CONFORMITY

(in compliance with Directive 2004/108/EC: EMC annex IV.2
and with Directive 2006/95/EC : LVD annex III.B)

The product, **LTS/LTC**, Taxiway Inset LED light, in all available functions and ratings, has been designed, manufactured and inspected according to the good practice and our internal procedures.

They have been tested and found conforming to the following current harmonized standards and/or specifications:

Electromagnetic Compatibility:

IEC/EN 61000-6-2: EMC Generic Standards – Immunity for Industrial Environment

IEC/EN 61000-6-4: EMC Generic Standards – Emission for Industrial Environment according to the provisions of the Council Directive 2004/108/EC (Electromagnetic Compatibility).

Low Voltage:

These lights are not falling under the scope of the Low Voltage Directive 2006/95/EC.

As a consequence, they are marked **CE** for compliance with the EMC Directive.
