

DECLARATION OF CONFORMITY

Manufacturer's declaration about conformity of ADB SAFEGATE product(s) to aerodromes requirements

We herewith declare that the following product(s):

RELIANCE Shallow Bases, 8- and 12-inch

- have been developed by ADB SAFEGATE,
- are in conformity with the following standards and their respective requirements:
 - IEC 61827:2004
 - FAA AC 150/5345-46E

During certification of inset lights, the above mentioned base(es) are tested together with the inset lights. The following survey operations have been carried out at an independent ISO 17025 accredited laboratory without noticeable remarks:

- Examination of test equipment,
- Checking of installation of units before testing,
- Static load tests per applicable procedure and method,
- Mechanical tests per applicable procedures and method,
 - Vibration test,
 - Shock test
 - Horizontal shear test,
- Test report 101436591CRT-001.

Issued in Zaventem – Belgium by ADB SAFEGATE bvba.
