

EU DECLARATION OF CONFORMITY

N° US20170428/001

(in compliance with DIRECTIVE 2014/35/EU: LVD annex IV & with DIRECTIVE 2014/30/EU: EMC annex IV.)

Issued under the sole responsibility of the manufacturer ADB Safegate Americas, LLC.

Manufacturer:

ADB Safegate Americas, LLC
977 Gahanna Parkway
Columbus, OH 43230 U.S.A.

Authorized Representative:

ADB Safegate BVBA
Leuvensesteenweg 585
B-1930 Zaventem Belgium

The product **Linc 360 REMOTE** type **AGC4XX0 & AGC5XX0** has been designed, manufactured, and inspected according to our internal ISO procedures.

It has been tested and found conforming to the following EU harmonized legislation:

IEC 61000-6-2 (2005) + AC (2005), 10V/m, 10Vrms: EMC Generic Standards – Immunity for Industrial Environments,
IEC 61000-6-4 (2007) + A1 (2011), Class A: EMC Generic Standards – Emission for Industrial Environments,
IEC 61000-3-2 (2014), Class A: Limits for harmonic current emissions,
IEC 61000-3-3 (2013): Limitation of voltage changes, fluctuations, and flicker in public low-voltage supply systems, according to the provisions of the Electromagnetic Compatibility Directive 2014/30/EU.

EN 60529 (1991) + AC (1993) + A1 (2001) + A2 (2013): Degrees of Protection Provided by Enclosures, according to the provisions of the Low Voltage Directive 2014/35/EU.

As a consequence, the equipment is **CE** marked.
