

Product Discontinuation Notice (PDN)

Ref No: PDN.LGT-H.INSET.ITEL.001

December 9, 2020

Dear Valued Customer,

This notice is to inform you that ADB Safegate is discontinuing the manufacture of the **L-852T Incandescent Taxiway Edge Inset Fixture**. The product contained in this notice is part of our annual product portfolio review process. While we have an alternative fixture available (see Product Replacement Table), **it is highly recommended to transition to the ITEL-L L-852T(L) LED Taxiway Edge Inset Fixture**.

In accordance with ADB Safegate product discontinuation policy, we are hereby giving notice of these changes so that our customers and trusted partners can adjust their product purchasing records and make any final purchases of discontinued product(s) to support their operations.

Product Transition Table	
Product Name	ITEL FAA L-852T Incandescent In-pavement Taxiway Edge Light
Reason(s) for Discontinuance	Declining sales as industry transitions to LED. The fixture is no longer FAA certified. FAA re-certification expenses can't be justified with the expected decline in sales.
Last time buy deadline	March 9, 2021
	Last day to order complete products. Orders for discontinued products will not be accepted after this date.
End-of-Support deadline	March 9, 2025
	Spare parts will no longer be available for warranty or non-warranty support, and technical support will be limited to fee-based repair work.

Equivalent product replacements are available for this product as indicated in the "Product Replacement Table" below.

Product Replacement Table	
Discontinued Part Number	Replacement Part Number
44A6099/XXXX	**IN-OMA incandescent series (Catalog Sheet Included with PDN)

****Fixture is built to fully comply with FAA L-852T but ADBSG will not pursue FAA certification**

Product Discontinuation Notice (PDN)

Spare Parts

The list is based on common spare parts for this product, as shown in the manual. While ADB Safegate will make every effort to maintain spare parts until the "End-of-Support" deadline, this will depend on the availability of older technology components. We highly encourage airports to stock an adequate quantity of recommended spare parts. **Support for part numbers high-lighted yellow will end on end-of-support date. Non high-lighted part numbers will remain available until further notice.**

Spare Parts Table
