

Product Discontinuation Notice (PDN)

Ref. No: POW_TFO_PAD-670_PA-4_002

Dear Valued Customer,

This Product Discontinuation Notice is to give you advanced notice that ADB Safegate plans to discontinue the manufacturing of the **PA-4 Power Adapter** as listed in the "Product Discontinuation Table" below.

In accordance with ADB Safegate product discontinuation policy, we are hereby giving notice of these changes so that our customers and trusted partners can adjust their product purchasing records or make any final lifetime purchases of discontinued product(s) to support their operations.

Specific configurations of the adapter are being built in limited quantities. The adapters will be first come, first served. Critical components are being manufactured now; the estimated ship date for the product is October 2020 at the earliest. We will build the configurations and quantities outlined in the table below.

Product Discontinuation Table	
Immediate Discontinuation	<ul style="list-style-type: none">PA-4 Power Adapter: 44D2004/XXXX
Reason(s) for Discontinuance	Decreasing availability of component parts
Replacement Products	The PA-4 Power Adapter is typically used to power voltage-driven L-849 REILs and L-806/L-807 wind cones on a series circuit. In most cases, the voltage-driven equipment that is powered by a PA-4 adapter has a current-driven equivalent. The current-driven device can replace the voltage-driven device and the PA-4 adapter on a series circuit.
Spares End-of-Support deadline	September 1, 2025
	Spare parts will no longer be available for five years after the above date, and technical support will be limited to fee-based repair work.
